Paor, Wood: Dear Sir-Having become prematurely quite gray, I was induced some weeks since to make trial of your HARR RESTORATIVE. I have used less than two bottles but the gray hairs have all disappeared; and although my hair has not fully attained its original color, yet the process of ohange is gradually going on, and I have great hopes that, in a short time, my hair will be as dark as formerly. I have also been much gratified at the healthy moisture and vigor of the hair, which, before, was harsh and dry, and it has ceased to come out, as formerly.

Respectfully Yours, D. C. M. RUPP.

I bave used Prof. Wood's Hair Restorative to decided advantage. It prevents the hair from conting out, gives it a gloss and softness very desirable. The few gray hairs I had have entirely disappeared. Others of my family have used it, and concur with me in pronouncing it sall that it professes to be.
